

Absen NT2.6 V2 has landed — and more is on the way!

Absen NT2.6 V2 has landed — and more is on the way!

Posted on January 26, 2026

The image shows a stack of grey Absen NT2.6 V2 Indoor LED panels on the left. On the right, one panel is shown at an angle, displaying a vibrant, abstract orange and red pattern. A circular inset in the upper right corner provides a close-up view of the panel's edge, showing the interlocking mechanism and the LED array. The background is a dark, starry space with a glowing horizon line.
