

grandMA3 light for Aurras Lighting in Cape Town

Posted on October 2, 2024

Congratulations to Cape Town based Aurras Group on the exciting addition of your new grandMA3 light lighting console!

DWR Distribution team joined the Aurras lighting team for an in-depth overview of their new MA Lighting International console. Thank you to Johnny Scholtz for organising the training and to Jaques Pretorius for sharing your knowledge with the Aurras lighting team.

The grandMA3 light console is the work-horse of the range. It provides the perfect combination of power and physical size. The grandMA3 light console is suitable for all but the most demanding productions, making it probably the most versatile lighting console available.

Featuring 60 physical playbacks, 16 assignable x-keys and a dedicated master area the grandMA3 light console provides plenty of playback options.
