You're invited to Green Hippo Training with Dylan Jones on 8 and 9 April at DWR Distribution in Johannesburg.

This hands-on course will guide you through Hippotizer Basic 1, 2, and Shape 3D, giving you practical experience in operating, configuring, and optimizing your Hippotizer Media Server, with a focus on the v4.9 software. Whether you're just starting out or looking to sharpen your skills, you'll leave ready to tackle your projects with confidence—and maybe even have some fun along the way.

The first day of the course will delve into the control interface for Hippotizer, along with the central hub for real-time management of the engine and its various components. The second day will focus on component-specific Hippotizer tools.

Topics covered will include Hippolauncher, Output Manager, Media Manager, Visualizer, Pinbridge, Multi-Controller, DMX Control, Timeline, Video Mapper, Pixelmapper and Shape.

Attendees need to bring a Green Hippo Server or Play Software on a Windows PC / laptop. The Green Hippo software needs a Windows machine as it is not compatible with Mac. Visit: <https://www.green-hippo.com/design-starts-here/design-starts-here/play-licensing/>

The course will be hosted at DWR Distribution, Block C, Unit 1, Kimbult Industrial Park, 9 Zeiss Road, Laserpark, Honeydew.

The cost is R500 per person and includes a light lunch and refreshments. *Terms and conditions: While refunds are not available for cancellations, participants may transfer their registration to another individual.*
