Jaco Beukes looks forward to presenting RCF RNet Operator Training on 1 April from 9 am to 5pm at DWR Distribution. This course provides all the necessary knowledge to set up and configure an RNet network.

From cabling topology and network component configuration to loudspeaker and software setup, you'll walk away with a new way of doing things.

Topics:

- Practical examples and case studies
- RNet software in detail: windows, groups, and functions
- Subwoofer configuration with RNet
- RNet Easy Shape Design

The cost is R250 per person and includes a light lunch and refreshments. *Terms and conditions: While refunds are not available for cancellations, participants may transfer their registration to another individual.*

The training will be held at DWR Distribution, Block C, Unit 1, Kimbult Industrial Park, 9 Zeiss Road, Laserpark, Honeydew.
