

# RoboSpot Training, Johannesburg

Posted on February 10, 2026

A promotional graphic for RoboSpot training. The top half features a RoboSpot system with a monitor displaying a spot of light, set against a red and orange background. The text 'RoboSpot™' is prominently displayed in white, with a red 'Discover more' button below it. The bottom half is a black box with white text. The title 'RoboSpot Training' is in large white font, followed by 'Presented by Jaques Pretorius'. Below that, a paragraph describes the training: 'Discover how to set-up the Robospot system, pair it with the latest in LED technology from Robe and then control the fixture.' Further down, the event details are listed: 'WHEN: 24 MARCH | 9AM - 5PM', 'WHERE: DWR DISTRIBUTION, JOHANNESBURG', 'COST: R250', and 'BOOKINGS ONLINE'. At the bottom, the Robe and DWR logos are displayed.

**ROBE®** **DWR**

You are invited to Robe RoboSpot FollowSpot System Training presented by Jaques Pretorius on 24 March, from 9 am to 5 pm at DWR Distribution, Johannesburg.

During this session, Jaques will guide you through setting up the RoboSpot system, pairing it with the latest Robe LED lighting technology, and achieving seamless fixture control.

The RoboSpot system enables followspot operators to remotely control up to 12 fixtures simultaneously, eliminating the safety risks and practical challenges of positioning personnel in

high or hard-to-reach areas within venues such as stadiums, indoor arenas, concert halls, theatres, and TV or film sets.

The cost is R250 per person and includes a light lunch and refreshments. *Terms and Conditions: While refunds are not available for cancellations, participants may transfer their registration to another individual. **PLEASE use your name and surname as a reference when booking.***

The training will be held at DWR Distribution, Block C, Unit 1, Kimbult Industrial Park, 9 Zeiss Road, Laserpark, Honeydew.
